Sub: Verification of applications for scholarship under Aikyashree Scheme  
made at Duare Sarkar Camps

Sir,

As you are kindly aware that renewal of "Aikyashree" scholarship is one of the services which is being provided from the Duare Sarkar Camp (16<sup>th</sup> August to 15<sup>th</sup> September).

In the year 2020-2021, we were able to provide more than 39 lakh scholarships to the students under this Scheme. This year we are expecting that at least 20-25 lakhs students would apply for scholarship under the Scheme through the Duare Sarkar Camps. Also, the receiving of fresh applications has started, though it is not part of the Duare Sarkar.

For sanctioning the scholarship in a time bound manner, the 1st level of verification of the applications at the Institute Level is of utmost importance.

I would request you to kindly issue necessary instructions to head of all the schools/ colleges/ universities under your department to complete the verification of the applications for scholarship of the students studying in their institutions within 2-3 days of the filing of applications in order to achieve the target set for Duare Sarkar campaign as well as for the year.

Yours faithfully,

**Subject: Completion of verification of Aikyashree applications at institute/District level.**

Sir/ Madam,

You may kindly aware, of the fact that the filing of applications at the Aikyashree portal is going on at a very encouraging rate in all most all the Districts. With the sincere efforts of all concerned around 38 lakhs applications have already been filed within a very short period of time. In other words, we have already achieved this year's target in so far as the filing of application is concerned. In order to ensure completion of all succeeding activities at the earliest possible time, we need to complete the verification process at the Institute and district level also. In this process, Districts will be required to update the profile of the institutes by way of verifying all details of the Institute and the Nodal teacher in the district panel so that the institute level verification work is done flawlessly.

The district is requested to consider holding meetings, **preferably virtual meetings**, with all stakeholders to explain the detailed procedure of verifying application in precise and careful manner. The module of sending User ID and PW to the institutes has already been started. **I am enclosing a write up on the role of Institutes (role of Head of the Institution and the role of Nodal Teacher) for ready reference.**

Kindly make all arrangements to provide the Institution Nodal teacher with all details to complete the verification process for all Aikyashree applications and also to start the district level verification. **It may also be emphasised to all concerned that full precautions must be taken by them to ensure that no fake applications is verified at any cost.**

Thanking you
