PARENTS FEEDBACK ANALYSIS

The IQAC of our conducted parents' feedback in the year 2022-23 covering the areas of teaching-learning process, administration, students support services, extracurricular activities and discipline. We had supplied 120 feedback forms to the parents and randomly selected only 100 filled in forms for the purpose analysis. There were 15 questions given in the form covering the above mentioned metrics against which parents were asked to mark their opinion as *excellent*, *very good*, *good*, and *poor*. According to our analysis we found out that 50% of the parents are happy with the college, giving us rating of very good. Overall all metric also were given the rating of very good. The IQAC is committed to improve this rating in the next academic session. The following is the analytical data as provided through feedback form of the parents.

Features	Excellent	Very Good	Good	Poor
Teaching, Learning and Evaluation	105	148	117	30
Administration	85	103	87	25
Students Support Services	151	162	127	83
Extracurricular Activities	40	55	82	23
Discipline	16	34	37	13
	26%	33%	30%	11%
