9. Purpose / Aims / Objectives of the event: -

In developed countries, most teenage pregnancies, especially those during early adolescence (<18 years), are unplanned and unintended. For a long time, teenage pregnancies were interpreted as major medical problems and obstetrical risk factors. More recently, however, obstetrical risks of teenage pregnancies are predominantly interpreted as results of adverse social and economic factors rather than chronological age. This, however, is no reason to deny that teenage pregnancies are currently still an important public health problem all over the world.

We have organized this programme –

i.} To make the girl students educated about the negative consequences of teenage pregnancy.

ii.} To spread awareness among girl students specially belonging from backward family.

iii.} To make them familiar with the difficulties and troubles of teenage pregnancy in her social, educational life and financial condition.

ABOUT US:

Jatindra-Rajendra Mahavidyalaya, alternatively known as Amtala College, is a government-aided college in the district of Murshidabad. It was established in 1986 by the philanthropic endeavor of Sri. Jayanta Biswas, an influential political leader and the former Assistant Teacher of Amtala High School. With the land provided by Amtala High School, J.R.M. became the only college to be founded in Amtala within a radial distance of 25 kms. The process of establishing this educational institution was furthered by Sri. Guru Prasad Biswas and Sri. Birendranath Biswas. The college was first established with the pioneering vision of imparting higher education to the economically challenged and socially backward people of a not quite well-developed region of West Bengal. While imparting knowledge to the less-privileged section of the society was our fundamental aim, it simultaneously served a corollary objective. It is a well-known fact that this region is predominantly inhabited by the Muslim minority community and women from this domain did not have much access to higher education which constitutes a major role in facilitating their empowerment. Our college has precisely served that purpose by being an instrument of women empowerment ever since its inception.

ABOUT THE SEMINAR:

The members of Career Counseling and Placement Cell and National Service Scheme (NSS) of our educational institution are two active wings dedicated to the cause of exposing the students of the college to various and viable employment opportunities irrespective of their caste, class, religion or gender. As their economic independence and financial stability in future are of utmost importance to the entire college fraternity, the members of NSS often arrange various awareness

programmes like seminars, workshops, camps and so on to inform and educate the future assets of our nation about the different kinds of profession in the contemporary age and ways to establish oneself firmly in any such professional field. Accordingly, in this academic session, the Convenor of NSS, in league with his active members, has organized an “Air Force Recruitment Training and Awareness Camp” for enhancement of skill and professional competencies of participants. It was held under the patronage of Smt. Geetali Bera, the Honorable Teacher-in-Charge of J.R.M., on 11.11.2022, with the following set of objectives.

OBJECTIVES:

- Raising awareness about various professional fields
- Enhancing innate skills and identifying professional competencies
- Encouraging especially the female students to become financially independent
- Instilling courage and determination to serve the nation and protect it from all adversities

The Bhagavad Gita, a sacred Hindu scripture, indeed emphasizes the importance of controlling the mind as a central theme. Here's a deeper look at its teachings on this topic:

- ✓ **Understanding the Mind** : The Gita describes the mind as both the friend and the enemy of the self. When disciplined and under control, the mind becomes a powerful ally in spiritual growth and life's endeavors.
- ✓ **Yoga of Knowledge and Wisdom**: The Gita teaches various paths to control the mind, including the path of knowledge (Jnana Yoga), where understanding the true nature of the self and the world helps in mastering the mind.
- ✓ **Unity with the Divine**: Ultimately, the Gita teaches that true control over the mind comes from realizing one's unity with the Divine (Bhakti Yoga), where love and devotion to the Supreme help transcend the fluctuations of the mind.

ABOUT US:

Jatindra-Rajendra Mahavidyalaya, alternatively known as Amtala College, is a government-aided college in the district of Murshidabad. It was established in 1986 by the philanthropic endeavor of Sri. Jayanta Biswas, an influential political leader and the former Assistant Teacher of Amtala High School. With the land provided by Amtala High School, J.R.M. became the only college to be founded in Amtala within a radial distance of 25 kms. The process of establishing this educational institution was furthered by Sri. Guru Prasad Biswas and Sri. Birendranath Biswas. The college was first established with the pioneering vision of imparting higher education to the economically challenged and socially backward people of a not quite well-developed region of West Bengal. While imparting knowledge to the less-privileged section of the society was our fundamental aim, it simultaneously served a corollary objective. It is a well-known fact that this region is predominantly inhabited by the Muslim minority community and women from this domain did not have much access to higher education which constitutes a major role in facilitating their empowerment. Our college has precisely served that purpose by being an instrument of women empowerment ever since its inception.

ABOUT THE SEMINAR:

As an educational institution has a massive impact upon the youth of our nation, prioritizing significant issues related to women and enabling their gradual progress towards achieving an empowered self has been a primary agenda of our college ever since its inception. Women, serving as caretakers and nurturers, seldom have the time or energy or both to dedicate to their health care regime. They, like their male counterparts, need to spare time for looking after themselves and adopting a healthy lifestyle to combat life-threatening diseases. In order to educate

and inform the students (especially female ones) about the fundamentals of maintain a good personal hygiene, healthy dietary habits and robust physical exercise, the convenors of IQAC and NSS, in collaboration with the members of their units, have organized this Health Awareness Programme on “Women’s Health and Hygiene” with a set of objectives.

OBJECTIVES:

- Promotion of good personal hygiene
- Raising awareness about life-threatening diseases caused by unhygienic habits
- Evoking consciousness in young minds to help them in adopting a healthy lifestyle

REPORT

The IQAC, in collaboration with the NSS Unit of Jatindra-Rajendra Mahavidyalaya, organized a Health Awareness Programme on 16.03.2022 in Room No. 07 of the Main Building of the college. Dr. Safikul Hossain, the BMOH of Amtala Rural Hospital, delivered a very fruitful lecture on “Role of Healthy Diet and Exercise to Combat Lifestyle Disease”. He did a commendable task in disseminating the fundamental knowledge about adopting a good personal hygiene which, together with an enriched diet and regular physical exercise, lies at the heart of a healthy lifestyle and enables one to avoid the risk of succumbing to fatal diseases. As “Prevention is [always] better than cure”, the thrust of this programme was to bring about wholesome lifestyle changes in youths of our college who will be the precious human resource of our country in near future. 69 attendees of this awareness programme were immensely impacted by this exhaustive lecture and are steered to implement the measures suggested in order to have a healthy, disease-free, robust and long life span.

OUTCOME:

- Female students in particular have ever since been more conscious about maintaining better hygiene and sanitation practices for a healthier lifestyle and wholesome living
- There has been a positive response from all quarters to the various initiatives taken with regard to maintaining wholesome hygienic practices and sanitation measures in this academic session

ABOUT THE SEMINAR:

Mastering self-defense maneuvers is a prerequisite to protect oneself from sudden violent attacks and vulnerable situations. Karate is one of the most practiced Japanese martial arts which empowers an individual to defend himself/herself in any disruptive environment by learning, for instance, how to block, strike, and escape from various coercive holds or grabs. Besides

developing the self-defensive faculty, an effective karate training instills a sense of awareness, confidence, and the ability to respond effectively in various circumstances. Hence the NSS Unit has organized an Awareness Programme on “Self Defense (Karate)” under the patronage of Smt. Geetali Bera, the Honorable Teacher-in-Charge of J.R.M., on 23.03.2022. It will be held in Room No. 07 of the Main Building of the College to introduce the interested students of J.R.M. to a range of physical techniques designed to neutralize potential threats.

OBJECTIVES:

- Raising awareness about the cancerous elements of society and the need of self-defense
- Encouraging knowledge and training of martial arts
- Instilling courage and determination to face all adversities of life

ABOUT US:

Jatindra-Rajendra Mahavidyalaya, alternatively known as Amtala College, is a government-aided college in the district of Murshidabad. It was established in 1986 by the philanthropic endeavor of Sri. Jayanta Biswas, an influential political leader and the former Assistant Teacher of Amtala High School. With the land provided by Amtala High School, J.R.M. became the only college to be founded in Amtala within a radial distance of 25 kms. The process of establishing this educational institution was furthered by Sri. Guru Prasad Biswas and Sri. Birendranath Biswas. The college was first established with the pioneering vision of imparting higher education to the economically challenged and socially backward people of a not quite well-developed region of West Bengal. While imparting knowledge to the less-privileged section of the society was our fundamental aim, it simultaneously served a corollary objective. It is a well-known fact that this region is predominantly inhabited by the Muslim minority community and women from this domain did not have much access to higher education which constitutes a major role in facilitating their empowerment. Our college has precisely served that purpose by being an instrument of women empowerment ever since its inception.

ABOUT THE SEMINAR:

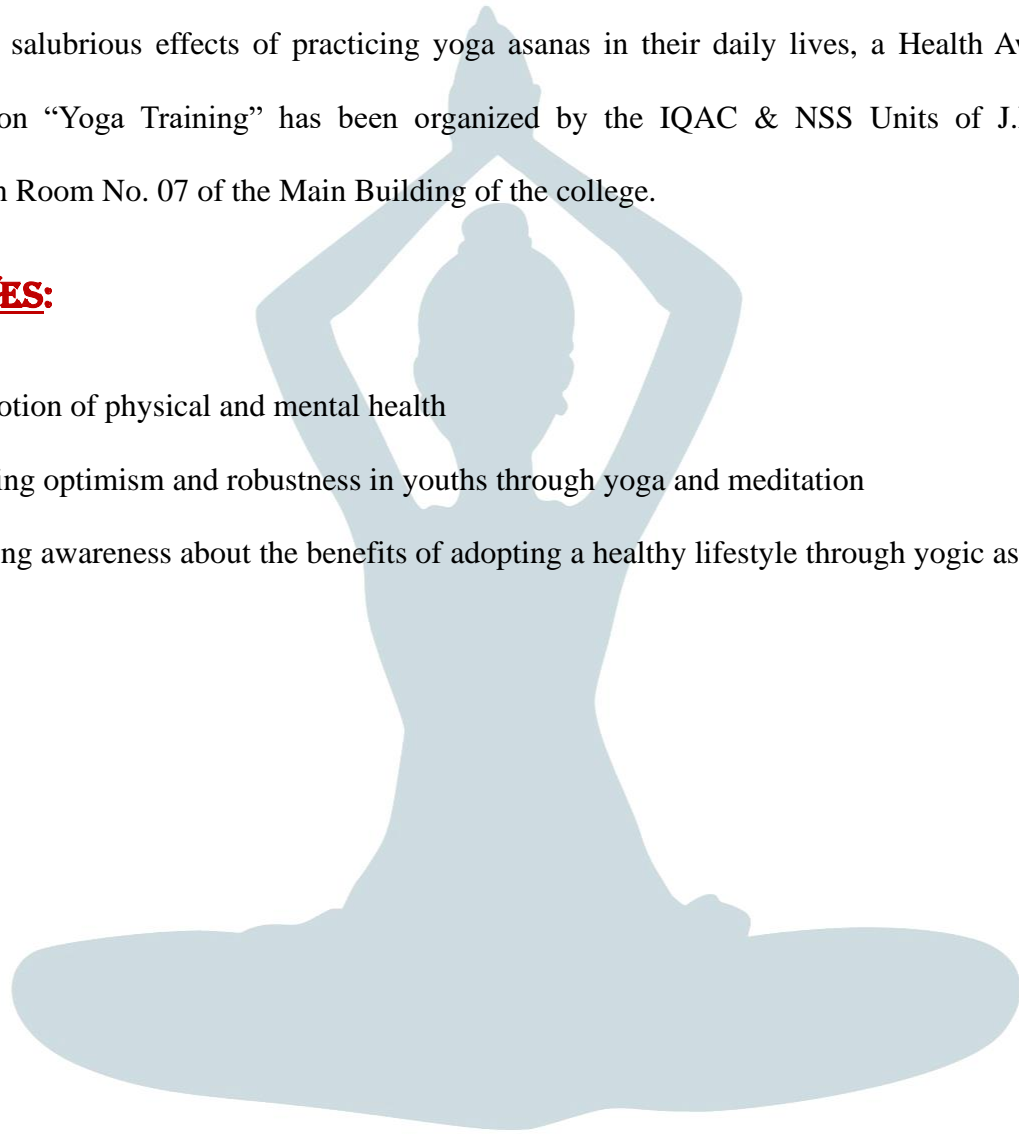

Yoga can be succinctly defined as both the art and science of healthy living. Derived from the Sanskrit root “Yuj”, the word “Yoga” means ‘to join’, ‘to yoke’ or ‘to unite’. As per Yogic scriptures the practice of Yoga leads to the union of our individual consciousness with that of the Supreme Universal Consciousness, thereby effectuating a perfect harmony of mind and body, Man & Nature. The goal of Yoga is evoking self-realization, along with enabling one to attain a state of ‘liberation’ (Moksha) or ‘freedom’ (Kaivalya), overcoming all earthly sufferings and worries. We can trace the

development of Yoga from historical evidences of Yogic practices since the dawn of civilization. According to popular lore, Lord Shiva is believed to be the first yogi or Adiyogi, and the first Guru or Adi Guru. Because of its immense utility in keeping the somatic and psychic constitutions of human beings in harmony and thereby healthy in this era of cut-throat competition and stress, yoga education is now imparted by many eminent Yoga Institutions worldwide. To make the students aware of the salubrious effects of practicing yoga asanas in their daily lives, a Health Awareness Programme on “Yoga Training” has been organized by the IQAC & NSS Units of J.R.M. on 30.01.2020 in Room No. 07 of the Main Building of the college.

OBJECTIVES:

- Promotion of physical and mental health
- Evoking optimism and robustness in youths through yoga and meditation
- Raising awareness about the benefits of adopting a healthy lifestyle through yogic asanas
