AIMS AND OBJECTIVES OF
“BASICS OF FUNCTIONAL ARABIC”
(ADD-ON COURSE)

AIMS OF THE COURSE:

Arabic is a rich and traditional language. It is mother tongue of about 380 million people and it has been accepted by people from throughout the world. It has religious importance along with job orientation aspect. It is one of the six languages of UNESCO. However in Indian subcontinent there are biases regarding the language. Everyone relates it with a certain religion. Actually arabic learning can ease works of the migrant workers to middle east. Same way it can provide job opportunity for skilled labors in arab countries. Students are supposed to gain interest in arabic language and literature through this course. Further they will be interested in arab culture and remove biasness out of their mind regarding the language and culture; which will broaden their outlook on the world.

OBJECTIVES OF THE COURSE :

1. After completing the course the students will be able to understand basic to advanced level of arabic grammar.
2. The students are supposed to read and understand arabic text with or without harakat.
3. They are supposed to communicate using basic arabic fluently with accuracy.
4. They are also supposed to translate easy texts from and to Arabic, English and Bengali.
5. They are supposed to recall general terms like fruits, vegetable, limbs etc.
5. They are also supposed to recall commercial, educational, political etc words and phrases.
