## Report on NSS-conducted Extension Programme

**Title of the Extn. Programme:** Observance of the Day against Child Labour **Date of the Programme:** June 11<sup>th</sup> 2022 **Venue of the Programme:** Amtala Basic School, Amtala, Nowda

### **Introduction:**

The NSS unit of Jatindra Rajendra Mahavidyalaya conducted an awareness programme at Amtala Basic school on the deadly curse of child labour on June 11<sup>th</sup> 2022.

### **Objectives:**

The child labour remains to be the primary reason for the drop-outs of the students from primary and high school among the rural and urban communities. Poverty, lack of awareness, a legal laxity are the some of the factors that aggravate the situation. A great number of students are lost every year in the life-threatening sector of child labour. The potentiality of the children is nipped at the birth. Child labour contributes to the early marriage and population explosion and cyclic poverty. So, the JRM NSS team conducted a workshop with the students of Amtala Basic school.

### **Activities Conducted:**

The programme included the following activities:

- 1. Conducted a workshop at a primary school
- 2. Chanted slogans
- 3. Models and pictures are shown
- 4. Cultural programme conducted
- 5. Distributed handouts

### **Participation:**

19 active NSS members, 6 faculty members, teachers of the school, and 230 school children participated in the programme.

### **Programme Outcomes:**

The programme was highly successful as the objectives were fulfilled with following outcomes:

- 1. The teachers took the initiative seriousness and promised to take initiatives to end this social practice from their part.
- 2. The students got to know some elementary implications of the child labour.
- 3. The children learnt that education is the only path of progress of life. They promised to continue their study and not to work for earning.
- 4. The NSS team inspired the children to enjoy their childhood.
