Introduction:

The NSS unit of Jatindra Rajendra Mahavidyalaya organised an awareness drive in the tribal locality of Nowda block on the necessity of perusing higher education by the tribal youths for the attainment of socio-political and economic upliftment of the community on May 16th 2022.

Objectives:

The tribal community of this locality are backward and under-privileged in socio-political and educational scenarios. Owing to their lack of education, they are unable to avail themselves of the constitutional rights like job reservations etc. So, the NSS team of the college took a robust initiative to sensitize the tribal students to pursue higher education.

Activities Conducted:

The programme included the following activities:

1. Door to door visit campaign
2. Conducted individual counselling
3. Canvassed the policy of the constitutional reservations in educations and jobs
4. Distributed handouts

Participation:

The college NSS unit incorporated 25 active members in its campaign. The team was led by 4 faculty members. Some local social activists also joined the drive for the sustainable development of the community. The tribals women, men, and children enthusiastically welcomed the team to their houses and interacted with hospitality.

Programme Outcomes:

The programme was highly successful as the objectives were fulfilled. The members of the ST communities blamed the poverty as their stumbling block to the path of education. But the younger education promised to dedicate themselves for the higher education of the children. They expressed their attitude to the team for the sensitization programme. They are eager to obtain the reservation and to join the march of progress of the nation.
