

ONE DAY STATE LEVEL SEMINAR

Topic: "Judicial Activism in India: Recent Trends"

10th March, 2022

Organized by: Department of Political Science

Jatindra Rajendra Mahavidyalaya. In Collaboration with: IOAC, JRM.

Website: www.jrm.org.in

THEME OF THE SEMINAR:

Judicial activism is not an easy concept to define. It means different things to different persons. Critics denounce judicial decisions as activist when they do not agree with them. Activism, like beauty, is often in the eye of beholder. Judicial policy making can either be an activity in support of legislative and executive policy choices or in opposition to them. But the latter one is usually referred to as judicial activism. Judicial activism helps ensure that people's rights are upheld and that everyone is treated fairly. Judges play an active role in interpreting laws. This helps to prevent discrimination and unfair treatment. Judicial activism allows the court system to address new challenges.

The following trends like expansion of rights of hearing in the administrative process, excessive delegation without limitation, expansion of judicial review over administration, passing of orders which are unworkable were the cause of judicial activism. However, with change in course of time this tool has been widely misused.

Therefore, keeping in view the recent examples of disturbing trends of Judicial Activism in state of Arunachal Pradesh and Uttarakhand, quash of a traditional collegiums system and the formation of Lodha Committee to look upon the matters of BCCI, the main object of the seminar is "to endow with a holistic approach activism and to provide an insight into the impact of judicial encroachment upon the executive actions".

Sub Themes:

The seminar shall endeavour to locate the current issues on Judicial Activism that emanating from all levels of society under these sub themes:

- 1) Judicial Activism vs Judicial Constraint.
- 2) Recent trends in the development of Judicial Activism: Global and National Scenario.
- 3) Indian Judiciary: Whether superseding the democracy?
- 4) Attitude of Indian Judiciary towards Judicial Activism.

ABOUT THE COLLEGE:

Jatindra Rajendra Mahavidyalaya was established in 6th December, 1986. The college is situated in a remote area in the district of Murshidabad where the major population is economically backward belonging to minority community. Naturally most of the students of the college are first generation learner. Therefore, the college had the objective to expand the facility of higher education for the people living in the remote areas of the district and the adjoining area. It is a degree college affiliated under the University of Kalyani. The University Grants Commission has recognized this college under the section of 2(f) and 12 (B) of its acts. The college has acquired a good reputation in the field of education of the district. The NAAC has accredited this college two times.

Our Political Science department started its journey in the session 1987-1988 with only general course. But since 2008-2009 when Honours course was introduced, it entered in the mainstream of the college. Now the department has been emerged as one of the most well equipped and well-placed undergraduate department of the University of Kalyani. Within thirty years journey, the department has managed to possess all kinds of conventional and modern technological teaching methods and a high-quality department library. So, in terms of learners' support, it has emerged as one of the best in the region. So far, several batches of students have been passed out and many of them are well placed at schools, colleges, other academic and research fields in various places of our country. Faculty members are actively engaged in research and contributed more than twenty research papers in various books and reputed journals. They try their best to satisfy the academic needs of the students and always take personal care for the all-round development of the students.
