Organizing Committee was extended to all those who were present there. And the announcement of the Athletic events started.

A team of boys and girls athletes of Jatindra Rajendra Mahavidyalaya, Amtala took part in the following events –

Track Events: 100 m, 200 m, 400 m, 800 m, and 1500 m.

Field Events: High Jump, Long Jump, Shot Put Throw, Discus Throw, and Javelin Throw.

The members of the college athletic team participated and endeavored for the positions they tried in all the events. They respected and abided by the true sportsmanship. However the college was elated with the college student, Abdul Ajj Shekh, who secured the *third position* in Discus Throw (boys). He was awarded with a medal and a certificate for his athletic position.

The second day of the DPI Sports (26th February 2024) was reserved for the team events, namely football for boys and kho-kho for girls, to be played among the colleges themselves. Therefore all the team managers were called on to the stage for the fixation of knockout matches. First of all, a football fixture (of 13 teams) was made in which the previous year's finalists (2022-23) along with a lonely slot left were to be bestowed a walk over to the next round. Here the Jatindra Rajendra Mahavidyalaya obtained that lucky draw for the walk over to the second round. A football fixture was drawn and the college was to play against S.R. Fatepuria College at Barua Yuvak Sangha Football ground (stadium), Beldanga on 26th February, 2024.

On the next morning, the football team of the college set out to Beldanga by a reserved tracker to participate in the football championship of the DPI Sports. The team manager, Prof. Joel Tudu accompanied them to the organizing college for the purpose of registration and verification of

their documents by 9 am. The college played a very good match against S.R. Fatepuria College but lost by a controversial penalty goal given against the college. Though a little bit of controversy was created during the match between the officiating referees and the college team members of Jatindra Rajendra Mahavidyalaya, the match was ended in a heart wrenching condition. Above all these circumstances the student of the college learnt many lessons such as discipline, hard work, punctuality, respect, spirit of sportsmanship, honour to others and a team spirit.
