## Report on NSS-conducted Extension Programme

**Title of the Extn. Programme:** An Encouragement to the Villagers for the Rooftop Gardening

**Date of the Programme:** July 4<sup>th</sup> 2022

**Venue of the Programme:** Nowda

**Introduction:**

The NSS unit of Jatindra Rajendra Mahavidyalaya organised an awareness drive at Nowda village urging the villagers to initiate rooftop gardening for the harvest of home-grown fruits and vegetables on July 4<sup>th</sup> 2022.

**Objectives:**

Population explosion and growing urbanization are meteorically lessening lands for cultivation. And the homes are becoming smaller with little space for plantation. On the other hand, deforestation is causing global warming. To get rid of this, rooftop gardening can be one of the potential measures to fight the challenges of modern civilization. At this juncture, the NSS team of Jatindra Rajendra Mahavidyalaya decided to urge the inmates of Nowda to initiate cultivation in the sky.

**Activities Conducted:**

The programme included the following activities:

1. Street procession armed with flexes and festoons.
2. Counselling held
3. Distributed leaflets
4. Chanted slogans

**Participation:**

24 dedicated NSS workers, 3 faculty members, and the villagers actively took part in the rooftop gardening sensitization programme.

**Programme Outcomes:**

The programme was highly successful as the objectives were fulfilled. Even the villagers are leading a claustrophobic life in the house of concrete. They grow one wan and pale for the lack of green. They readily accept the proposal of the NSS team and promised to initiate the rooftop gardening for the supply of staple vegetables and fruits besides seasonal flowers.
